PEPPERDINE
BIBLE April 19-22
LECTURESHIP

On behalf of Pepperdine University, I am happy to welcome you to the 40th Annual Bible Lectureship. With the able leadership of Jerry Rushford and Kanet Thomas, we shall have more than twice as many staying on campus for the lectures this year than ever before.

The Department of Church Services also includes Don Williams, and this team of dedicated Christians plans a number of workshops and meetings for church leaders and youth groups during each year. The distinctive mission of Pepperdine University calls for serving the church.

As we worship together, we hope the singing will lift our hearts, the lessons will instruct us, and the fellowship will draw us closer in Christian love and service.

Howard A. White
President, Pepperdine University

Welcome to the Malibu campus and to the tradition-honored Pepperdine Lectures. For 40 years the annual Pepperdine University Bible Lectureship has provided a platform for great Biblical preaching and teaching by some of the most able leaders in the church.

The University is justly proud of this 40-year heritage of greatness in the proclamation of the Bible and Bible-related themes. The Pepperdine Lectures rest upon two great truths: that Jesus Christ is Lord and Savior; and that the Bible is the inspired and authoritative Word of God. The Bible is the cornerstone for every aspect of Christianity's world mission, and the church has made its greatest advances in those periods in which the Bible has been rediscovered.

We anticipate four wonderful days of Christian fellowship and spiritual renewal as we study and worship together.

Jerry Rushford
Lectureship Director

With 80 Lectureship participants coming from 16 states and 48 cities, and with hundreds of Lectureship guests staying in our dorms and hundreds of others driving in every day, we are truly thrilled in welcoming you to Pepperdine's largest Bible Lectureship at the Malibu campus. We are most happy that *you* are here to enjoy with other Christians from around the country what we hope to be a very stimulating, spiritual experience.

I would like to encourage you to be sure and read the General Information pertaining to the Lectureship which is located in the back of this booklet. If you are not staying on campus, please be sure to register at Lectureship Central or in the lobby of Firestone Fieldhouse before or after the main lectures. For items of interest and any changes that might occur in the program, a Daily News Bulletin will be provided each day to keep you informed. Thank you for coming!!

SONSHINE VALLEY PUPPETEERS

THE SONSHINE VALLEY PUPPETEERS present much more than a puppet show; they lead children of all ages into a land of love. With more than 30 colorful and lifelike puppets they share a fresh new approach to character building. Their skits are rich in drama and highly entertaining.

THE SONSHINE VALLEY PUPPETEERS have received high recognition working with schools, business clubs, the Muscular Dystrophy Association, park and recreation departments, local police departments, churches and many others. Their work in the field of crime prevention and in building self image has received national recognition. THE SONSHINE VALLEY PUPPETS appear weekly at the SKAGIT VALLEY CHURCH OF CHRIST in Burlington, Washington.

Pepperdine is thrilled to have this highly professional group with us to entertain our children each night during the Lectureship. We also appreciate their hard work in tying their performances into the Lectureship theme "That We Might Live." Their performances will be in Elkins Auditorium, and we hope that you will check your child in at the Appleby Center (next to Elkins) each night before coming to Firestone Fieldhouse so that they can enjoy these special programs.

Loading and unloading will be from Jerry's Tree, the dormitories, Phillips Theme Tower parking lot, the Upper Parking Lot, Latigo Bay Villas, and Firestone Fieldhouse. For special transportation needs, call Lectureship Central (ext. 270).
